Newsletter Week 3 Term 2

Good afternoon all: The Grade 5/6 camp to Canberra is going along beautifully. I speak to the camp staff every morning and each night. They have been very happy with how the whole program is going, and how the children are representing themselves and our school. Canberra has just so much to offer: Parliament House, Government House, The Institute of sport, High Court. National gallery, the Mint, Questacon, National Museum and the War memorial. Plus of course a little fun mixed in with Laser tag and the Aquatic centre thrown in also! The group returns tomorrow and should be back around **3pm** – but keep your eye on our Facebook page for constant updates during the day.

Next week will be another busy time with NAPLAN testing arriving. Testing is for all grade 3 and grade 5 children. The teachers have been preparing work and setting the scene, so that the whole program is as stress free and "usual" as possible. The tests cover the topics of Reading, Writing, Grammar, Punctuation, and Numeracy across 3 days. The results will become available to both the school and the families around August (A long time I know!) I met with these staff members last week and all is in place. We would really appreciate your help by setting up your children to do as well as they can, (Not only at NAPLAN time, but all the time) by establishing constant routines at home, bed times that are regular and appropriate to ensure lots of sleep, plus a "full tummy".

On Monday 8th, we will have Dan Petro back in the school working with staff. Dan is a Behavioural Analyst and he will be involved in classrooms, feedback to staff and then a whole school staff meeting to discuss the next stages of our work. I am very happy to discuss this program with you in detail at any time. Dan is a fantastic resource to our school and works across Australia and in International schools as well.

Something to Ponder: How much screen time do your children have? How does that compare to the amount of time spent riding bikes, camping, at the skate park, generally being active and outside? The research clearly shows that kids need to be physically active to improve brain stimulation and health. Remember we have adopted the approach of a 'No Homework" school, to value the time for family communications and physical activity for children.

Talk soon,

Trudie Nagle
Principal

754 After School Learning Club:

Learning club will commence on Monday the 8th of May. Learning Club is an after school program that provides a chance for students to get help with their schoolwork from tutors including volunteers from the community and Bairnsdale Secondary students from Years 11 and 12. If you are interested, please see the office or Ms. Jan Kenny for further information. Students and families need to commit to attending each Monday for Term 2. There will be another opportunity to attend Learning Club in Term 3.

Head Lice:

There have been a number of head lice cases reported throughout the school this term. Please be vigilant and check your child/children's hair on a regular basis. Children found with live lice will need to be treated before returning to school.

Super Hero Day:

On Friday 26th May we will be holding a **Superhero Dress Up Day** at school. We are asking for a gold coin donation from everyone that chooses to dress up. The money raised from Superhero day will go to the Salvation Army.

Report Writing Day:

On Tuesday 13th June 2017 there will be a student free day, this has been set aside as the report writing day for semester 1.

Prep Visit to Bairnsdale Library:

On Wednesday 24th May the prep students will be walking to the Bairnsdale Library to take part in the National Simultaneous Story Time. The students will leave at 10:30am will return to school at approximately 12:30pm. Students need to wear school uniform and appropriate footwear to walk to the Library.

Bairnsdale Primary School Facebook Page:

Just to inform parents/carers that we do have a 754 Facebook Page. To find the correct Bairnsdale Primary School Facebook page you need to search for **Bairnsdale Primary School Events**. This is the page that is updated regularly with camp photos and other special events that happen around our school. We also inform parents of updated arrival times for children retuning from camps or excursion via this page and our Compass Portal. If you are still having trouble finding the correct page please contact the office for assistance.

Canteen:

Starting from Tuesday 9th May we will be opening the canteen during second break. Children will be able to purchase items that require no preparation such as ice creams, slushies, drinks etc.

How to place a Lunch Order

Write the lunch order on a clean brown paper bag and remember to include: Child's name, Class and room number.

Place the money inside the bag and try to include the 'correct amount' If you require change - it will be placed in the bag and returned to your child with their lunch.

Lunch orders are placed in the 'lunch basket' located in each classroom.

The Class Monitor takes the basket to the Office in the morning at 9.00am, and then collects the basket from the canteen at first break to be delivered to the classroom.

If you don't have a paper bag, write your child's order on an envelope with the money enclosed - add 20 cents for the cost of the bag.

Frozen items cannot be included in lunch orders and need to be purchased at the Canteen directly.
