Good afternoon all – I hope everyone is managing to keep warm, now that winter is officially upon us!

I must say first up, thank you to all the staff who supported the grade 5/6 camp to Ballarat last week. Being on duty 24 hours and being woken during the night to tend to kids, is well and truly above and beyond. From what I am told this was a fantastic trip and really enjoyed by all. The learning opportunity is exceptional and the follow up work key to embedding the learning. Well done to all and thank you. (We had on average over 500 people “looking” at our Facebook updates and pictures during the camp).

The Grade 3/4 trip will be underway soon. This year they are going to Camp Coolamatong on the Banksia Peninsula from Wednesday 2nd to Friday 4th of November. You will receive an information letter in the next few days regarding this trip. Regarding payments: If you have any concerns what so ever, please come and speak to Jenny in the office. Many families have taken advantage of the CentrePay system, so that the family is able to “drip feed” any costs to the school across the year.

Experience tells me that week 8 of a term is often a difficult week in schools. The children are tired, the weather has changed and the staff are on the grumpy side too, because of the additional hours that reports take at this time of year. The key is routine and structure both in the home and at school. This will minimize the “niggles” and keep us on a smooth track. Please support this by ensuring that children are in a sound sleep routine, eating lots of healthy food and well rested and prepared for their day at school. Thanks!

Speaking of reports – please don’t forget that Friday the 10th of June is a report writing day and that children are not required at school. On average each report, for each child can take up to 6 hours to prepare, given all the background work that has to happen. So this day will be a quite work day at school for all staff. Reports will be available to families during the last week of term via both Compass and in hard copy. If you would like a hard copy can you please let the office know as soon as possible.

Something to ponder: Michael Jordan is one of the most successful sportsman of all time. He once said: “I’ve missed more than 9000 shots in my career. I’ve lost almost 300 games. 26 times, I’ve been trusted to take the game winning shot and missed. I’ve failed over and over and over again in my life. And that is why I succeed.”
Resilience and the capacity to try again, even when you feel like everything is against you is a wonderful attribute. How resilient are you?

**Visit to Paynesville Primary School**
I really liked visiting Paynesville Primary School. We found out they do a lot of different subjects like Chinese, Drama and Science.

I also liked that they have animals in each classroom as it helps to teach students how to care for and work with safely.

Paynesville Primary School also have a great garden as well as a great cooking program. They also have lots of leaders at their school such as School Captains, Sport and Art Captains.

Paynesville Primary School also get to go on amazing school camps, last year they went to China and this year they are going to New Zealand.
