Our Vision Statement: 754 Primary School will maximise opportunities to develop resilient individuals in an ever changing world

Our Mission Statement for 2015-2018: 754 Primary School will aim to develop literate and numerate students through ongoing, structured, student-centred inquiry

Good Afternoon

Parent Feedback Survey and our forthcoming DET Priority Review:
Yesterday, with all eldest family members, we sent home a very important survey for you to complete. Please check your child’s school bag for this 5 page document. We would greatly appreciate if you could have this back to our office by no later than Friday June 24. If you wish to have help with completing this please contact our Reception.

School reports for Terms 1 and 2:
These will be available to you next Thursday and will have specific feedback on your child as a learner in English, Maths and Humanities.

Keeping warm and healthy:
During these very cold winter weeks, please help ensure your child comes to school warm and with a healthy breakfast ready for 5 hours of school. If you need support in this area please do not hesitate to contact our Office or Ms Freer and we will do what we can.

Remote Control Car Club:
With much help from EJ and Dan (just two of our dedicated fathers) we are almost ready to launch our Remote Control Car Club on its newly constructed race track in Boucher Corner. This exciting program will begin in Term 3 and if you wish to join all you will need is to bring a remote control car. The club will operate during lunch play times and more information will follow. The club is open to all age levels.

Bus safety week 20-24 June 2016:
Developed by the Bus Association Victoria (BusVic) in partnership with multiple government agencies including the Department, Bus Safety Week will run from 20-24 June 2016. This week provides a good reminder for all to be mindful of how you interact with buses in the course of your day. We are encouraged to remind students of how they can be safe around public transport and teach them of their responsibilities as a traveller. See the attached flyer for more information.

Thanks for your ongoing support.

Jason Barton
Assistant Principal.
