Hello everyone,

Last Thursday we kicked off the 754 Community Play Group and it was a great success. Lots of children and parents arrived at the first session and had a great time. Tomorrow will be the second session of the new playgroup and we know it will be another good opportunity for your child to make some new friends. All members of the community can come and bring their children to have some fun in a great atmosphere. This is a great opportunity to have some one on one time playing with your child and their new friends as well as making connections with other parents within the community. Parents also have the chance to get some books off the free table or trade some old clothes for a used set.

Parent teacher interviews are on this Thursday 21st July from 4:00pm – 8:00pm and Friday 22nd July from 8:30am – 1:pm. If you haven’t booked your interview time you can do it through compass or ring the office and speak to Tracey or Jenny. Parent interviews are vital to know where your child is in their learning as well as giving you the opportunity to ask any questions you may have arising from the reports. Students are expected to attend the interview so they can hear firsthand how they are progressing and what they need to do to improve. If you have a Thursday interview your child will not be required at school on Friday. If you have a Friday interview, your child will be required at school for the time of the interview only.

Next Wednesday 27th is the annual athletics day for the school. This year we will be running Prep to Grade 2 events in the morning and after lunch alongside Grades 3 to 6. Students are asked to wear house colours for the day. It would be great to see lots of parents here to support their children at some time during the day. When I have been with whole school athletics days they have been a hive of activity and lots of fun for everyone concerned, this promises to be no different. I look forward to seeing you there.

The fundraising committee are running a disco next Friday 29th of July; The Preps grade 1s and 2s are first up from 4:30 – 6:00pm and then the Grade 3 to 6s are from 6:30 – 8:30. The cost will be $5:00 per child, which will get them entry, chips and a glowstick. Other food and drink can be purchased from the canteen as in previous years.

**Just a thought:** Michelangelo once said “The greatest danger is not in aiming high and failing but aiming low and succeeding.” The first student who can explain what that means to me tomorrow will receive a chocolate frog.

Thanks

**Art Enrichment Program**
The art enrichment program will begin on the 26th July and run until September 13th. The program will be run by Jenny Backman and Crystal Stannus with some wonderful guest artists also lined up. There will be a fruit break provided for the children. Please speak to the office staff about getting your child into the program. As we can only cater for a small number of children preference will again be given to the children who have not participated in previous terms.

**Pie Drive Collection Date**
Get ready to enjoy your pies. All pie orders will be ready for collection from the school canteen on Thursday 21st July from 3 - 4.30pm. We do not have enough freezer room to store your pies, so please make every effort to collect them at this time.
