Hello everyone,

At the moment you may not be aware but the school is undergoing a review process. This review occurs every 4 years but we have been very lucky to get a Priority Review out of sequence. Out of the review will come a Strategic Plan that will guide us for the next 4 years. It will identify targets we need to achieve and to set goals. Part of the process is that staff, students and parents have the opportunity to speak to the reviewers about the school and give their opinion of how the school is progressing. For the parents this opportunity will occur on Monday the 7th of November in the staffroom from 9:00am - 9:45am. We would like to invite all parents to come and share their opinions of the school with the reviewers on how they think the school is travelling at this time. Your information will help form the strategic plan and the work for the next 4 years.

Could I please remind all parents who are volunteering in the school or who want to volunteer, that you must have a current Working with Children’s Check even when working in your child/children’s grade. This is a legal requirement from the Government and we must comply with this directive. To apply for the check it can be sourced online at the following link, http://www.workingwithchildren.vic.gov.au/ It is free for volunteers but if you are being paid by the school it will cost you a fee. Once it has been downloaded and filled out the next step is to take it to the post office and get a passport photo. We would love to have as many parents as possible volunteer in the school to enjoy working with our children.

Yesterday we had several students go down to the Valley to compete in the Regional Athletics competition. Speaking with the students this morning they had a great time even though it was very cold and wet. We had several students who gained 4th places but unfortunately no student was able to get into the Regional Athletics team and go to the next level. Well done to the students who represented the school and East Gippsland so very well. Thank you to the parents who took time off work and time out of their busy lives to transport the students to the event. Without you the students would not have been able to participate in this event.

The grade 3/4 camp is coming up on the 2nd, 3rd and 4th of November. A note to parents who have not finalised their payment will be going home in the next week. If parents are having issues please contact the school as we would like all students to attend camp as it is an important part of learning to be independent and provides students with the opportunity to expand their limits with support of friends and staff. Camp is always exciting and a bit nerve racking but students come out
Continued:
with greater independence and confidence in their own abilities.

Ms Nagle and I are very excited because we are going to the BEEC on Friday with the grade 5 and 6 students. Neither of us have had the opportunity to attend previous visits and the weather is looking very good. We must remember to pack a snack and lunch, take our drink bottle, pack our hats and sunscreen, and be at school on time ready to go. I am so excited!!!

Yours Sincerely

Warwick Fraser
Assistant Principal

Prep Transition: Term 4
Term 4 transitions sessions begin again on October 14th. The session begins at 9:00 am in Mrs Chandlers room. Please see page 9 of the newsletter for all term 4 Transition dates and times.

Hats on:
As the warmer weather is almost upon us again we need to remind everyone that sun smart hats must be worn during term 4. Peak hats and caps are not acceptable as a sun smart hat as they do not shade the ears or the back of your child/children's neck.

 Melania Fruit:
As we are promoting healthy eating we would love it if you could provide lots of fresh fruit for your children to eat.

Meals on Wheels:
Many thanks to the adults who are able to help us with Meals On Wheels. Here is the roster for Round 3 which begins on Monday 24th October 2016.

754 Community Playgroup

Come along and have some fun playing together with your child (aged 0 – 5).

Play, Learn and Grow... Together!

Playgroup will take place every Thursday in the Bairnsdale Primary School Hall.

It is free of charge.

Morning tea will be provided

Tell your friends, all welcome.

Hope to see you there!

FOR MORE INFORMATION PLEASE CONTACT THE SCHOOL ON 5152-4395 OR CHECK US OUT ON FACEBOOK!
BAIRNSDALE LOCAL TO HOST COMMUNITY WALK FOR CANCER CAUSE

A team of local residents is calling on the Bairnsdale Community to join more than 30,000 Australians walking on one night in cities and towns across the country to raise funds to support families affected by blood cancer.

The Leukaemia Foundation’s popular Light the Night event will see those impacted by blood cancer, including leukaemia, lymphoma and myeloma, join one of almost 100 organised events expecting to take place across Australia, including on in Bairnsdale at Davidson Oval on Saturday, 15th October, 2016.

Those attending the Bairnsdale Community Light the Night Walk can expect market and food stalls, activities for children and amazing entertainment from the local community. As a small community we would like to make a name for us and try to fundraise as much money for this cause. We have been organizing this event for almost 4 years now and each time it has been successful, we want to keep going and try to reach our goal of $5,000 raised.

“Hosting a Community Light the Night Walk in Bairnsdale is about doing something to help families affected by blood cancer or related blood disorders now and into the future.” Said Steph Ellul.

“Many local families have been touched by blood cancer and the Leukaemia Foundation was there for them – providing emotional and practical support like accommodation during their relocation to the city for treatment.”

“As well as being an uplifting event, the money we raise will enable the Leukaemia Foundation to keep helping families in need and investing in research to find the cures of tomorrow” She said.

Light the Night attendees will be asked to join in the lantern ceremony holding one of three colored lanterns; gold to remember someone, white for their own journey or blue to show you care.

“We are asking family and friends to join us at dusk to raise our lanterns together. It will be special to know that at the same time, families and friends across Australia will be lighting the night too.

The Leukaemia Foundation aims to raise $2 million through Light the Night nationally this year. It receives no ongoing government funding and relies on the support of the community to continue its important work.
