Hello everyone,

Talk about busy. I was looking at the board this morning and the things to write about are enormous. Let’s kick off with the 2 days of review that have occurred on Monday and Tuesday. Both days were heavy work looking at data and speaking to students in classrooms. The reviewers were very impressed by the students they spoke to in their knowledge and honesty about the school. Well done to the students. A preliminary report was given to the staff last night but that needs to go to the Department and then a final report will come back to the school.

Yesterday grades 1 & 2 went on an excursion to the Tip. It was very informative and the students learnt a lot about recycling and where the waste we produce goes to. This will lead to very good conversations in the classrooms and an experience to write about in recounts and narratives.

Grades 3 & 4 Kanga Cricket Carnival was held at the Wy-Yung Oval today after it was postponed due to weather earlier in the term. I hope the children had a great day and got to make some new friends from other schools. Maybe we can get some new Australian players because we need them in the National Team.

It was my great pleasure last week with Ms Hanson and Mrs Sima to judge Fashions on the Field for the 5/6s. It was a fun activity that had the whole school engaged. Well done to the students who took the time to organise an outfit for the day.

Looking at the tired and happy faces that got off the bus at 2:45 on Friday afternoon, I knew the camp was a great success. The most popular activities were the boat trip to the beach and the tribal challenge. When I was out there on Wednesday afternoon the atmosphere was fantastic, with children engaged in rope swings, unicycle riding, playing big chess and lots of other games. Reports from the teachers were that most students behaved exceptionally and everyone needs to be congratulated on how the camp was run. Well done to the 3/4s.

Tomorrow is a big day for our Grade 6 students with a transition day to Bairnsdale Secondary College during the day and then in the evening being presented with their Junior Rotary Community Service Award.
Continued:
The students who have completed this award have worked very hard in their own time to learn new skills, improve on old ones, contributed to community events and learnt about a different culture. It is not an easy award to attain and they should all be very proud of what they have done over the year.

On Friday at 9:00am we have our Remembrance Day service in the hall. This commemorates the sacrifice that our men and women have made in all wars. Mr Hathaway has put a lot of time and energy into organising the ceremony and it would be great to support the service by purchasing a poppy.

As we enter a very busy time of the year, teachers are completing assessments of your children and are beginning to write reports. It is very important that your child is here at school for these assessments so the teachers can give you the most accurate view of your child’s progress over the year.

Yours Sincerely
Warwick Fraser
Assistant Principal

Prep Transition: Term 4
Term 4 prep transition sessions are underway and happen every Friday until 9th December. The sessions begin at 9:00 am. Please see page 9 of the newsletter for all term 4 Transition dates and times.

Hats on:
As the warmer weather is almost upon us again we need to remind everyone that sun smart hats must be worn during term 4. Peak hats and caps are not acceptable as a sun smart hat as they do not shade the ears or the back of your child/children’s neck.

Fresh Fruit:
As we are promoting healthy eating we would love it if you could provide lots of fresh fruit for your children to eat.

Nude Food Week:
A successful Nude Food Week was held 2 weeks ago with each class aiming to reduce the amount of rubbish in their lunches. Green Team checked the rubbish bins on Friday and found there was less rubbish in each bin, however we think there is still room for improvement. We hope everyone is now more aware just how much rubbish we create each day, just from our packaged food. Our winners for the week were: Grade 1/2B with a total of only 126 pieces of rubbish for the week & Prep00A for the most nude food students for the week. These classes can choose their prizes from a Dvd and popcorn, hot chips or a super fruit platter. Congratulations from the Green Team.

Remembrance Day:
Once again our school is contributing to the Poppy Appeal for Remembrance Day. Poppies are available for purchase at school. There is a $2 and $5 dollar poppy as well as a $3 dollar wrist band. We will be having a Remembrance Day Service in the Hall on Friday 11th of November at 9.00am. We will have a guest speaker from the RSL, who will talk about the importance of Remembrance Day.
Rotary Junior Community Award presentation evening.
Congratulations to the following year 6 students who have worked hard and completed their Rotary Junior Community Award.
(And their families for helping make it happen.)
