Information and Parental Permissions

Local Excursions:

These are minor excursions within the Bairnsdale area. They will involve walking to a location, travel by bus or by school car. You will always receive notification of these excursions through the school newsletter, class note or specific note sent home. Most local excursions will involve walking or travel by bus. If travel involves use of a car you will be informed of the details in advance. If you do not wish your child to participate in a specific excursion we ask you to inform the school. All other excursions, camps, swimming will be subject to your specific approval before your child can take part.

Publication of Student's Photographs:

During the course of the year children's work or personal photographs may be published, on the School's Webpage, appear on television or the internet or as a display in shop windows etc. Parents have the right to withdraw permission for this to take place. If you agree to have your child's work or photograph published now, but if the circumstances change during the year, please notify your child's class teacher immediately.

Head Lice Checks

Throughout your child's schooling, the school will be arranging head lice inspections of students. The management of head lice infection works best when all children are involved in our screening program. The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The inspections of students will be conducted by a trained person approved by the principal and school council. Before any inspections are conducted the person conducting the inspections will explain to all students what is being done and why and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or well-kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any lice or eggs are present. People authorised by the school principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check. In cases where head lice are found, the person inspecting the student will inform the student's teacher and the principal.

The school will make appropriate contact with the parents/guardians/carers and arrangements made for the student to be collected from school. Please note that health regulations requires that where a child has head lice, that child should not return to school until appropriate treatment has commenced. The school may request the completion of an 'action taken form', which requires parents/guardians/carers to nominate if and when the treatment has started.
