MISSION

Bairnsdale Primary Schools mission is to provide a safe, inclusive and nurturing learning environment that empowers students to reach their full potential. We strive to foster a love of learning and a sense of curiosity in our students, while also promoting respect, responsibility, resilience and inclusion. Our dedicated staff work collaboratively with families and the wider community to provide a supportive and engaging learning community that values diversity and celebrates individual achievements. We are committed to providing a high quality education that equips our students with the skills, knowledge and values they need to succeed in a rapidly changing world.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Bairnsdale Primary School's values are Respect, Responsibility and Resilience.

- We respect ourselves, each other and our school environment and understand that our attitudes and behaviours have an impact on the people around us. Everyone has the right to learn and the right to be safe. We are respectful when we are kind, polite, honest and thoughtful. We show respect when we treat ourselves, others and the environment with the highest care.
- We show responsibility by taking ownership of our learning, actions and belongings. Students understand they have the ability to act independently and make their own decisions. Students reflect on their actions to become independent individuals, with positive self-talk and by being up standers.
