The information requested in this form is required for enrolment purposes. This information is collected to plan for and support the educational needs of students.

**This form should be completed by parents or carers who are responsible for enrolling their child. Parents or carers can co-sign the same form or complete separate forms if personal details are unable to be shared between them.**

If required information is not provided or there is a dispute between parents or carers about a child’s enrolment, the enrolling principal is required to consider the student’s education and wellbeing when deciding whether to defer or accept the enrolment.

# CONSENT TO CONDUCT HEAD LICE INSPECTIONS

## Permission to cover the duration of the student's schooling at Bairnsdale Primary:

Throughout your child's schooling, the school will be arranging head lice inspections of students.

The management of head lice infection works best when all children are involved in our screening program.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The inspections of students will be conducted by a trained person approved by the principal and school council.

Before any inspections are conducted the person conducting the inspections will explain to all students what is being done and why and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or well kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any lice or eggs are present.

Person's authorised by the school principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check.

In cases where head lice are found, the person inspecting the student will inform the student's teacher and the principal. The school will make appropriate contact with the parents/guardians/carers.

Please note that health regulations requires that where a child has head lice, that child should not return to school until appropriate treatment has commenced. The school may request the completion of an 'action taken form', which requires parents/guardians/carers to nominate if and when the treatment has started.

I hereby give my consent for the above named child to participate in the school's head lice inspection program for the duration of their schooling at this school.

Signature of Enrolling Adult: \_\_\_\_\_ Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

*Please inform the school if guardianship/custody changes for your child, as this form will need to be re-signed to reflect these changes. Please also inform the school in writing if you no longer wish to provide consent for the school to undertake head lice inspections for your child.*

Local excursions that your child may participate in throughout the year could include:

- Physical Education sessions at the City Oval or other Schools

- End of year activities

## Notification of local excursions

Bairnsdale Primary will NOT seek further consent from you before local excursions take place. However, we will provide advance notice to parents/carers of upcoming local excursions through the school newsletter/class notes/personal phone message/Compass.
