Week 2 Term 3

Principal's Message

I hope that everyone has been rugging up and keeping warm as winter has well and truly settled in. As is the case every year, we see an increase in illness around this time. It is even more important now that if your child is sick that they must stay home so I would like to thank parents for following these guidelines. Once again, I will be providing up to date information as it comes to hand in regards to COVID-19 and school. At this stage, there has been no change to current arrangements at our school despite the ever changing restrictions in Melbourne.

It is business as usual at 754 with students engaging in their learning and really challenging themselves to reach their full potential. We have a strong belief that as teachers it is our obligation to continue to build our capacity and skill set as well. Every week, all staff engage in professional learning to ensure that they are delivering the most effective teaching strategies within the classroom. This week, staff were working on their questioning skills and feedback strategies. Some staff were also exploring metacognition (thinking about thinking) as a strategy to implement into the classrooms.

Once again, please contact the school if you have any questions or concerns.

Simon Blake
Principal

There is **never** an occasion when violence is an acceptable behaviour.

Drink Bottles:

Parents/carers please remember to send your child/children to school each day with a drink bottle. Due to all the extra hygiene measurements in place because of the covid-19 pandemic all the drinking taps at school can not be used.

School Canteen:

The canteen is once again operating from Tuesday to Friday each week, with a warm welcome to our new canteen manager Devon. Please see the new canteen menu attached to the newsletter. Lunch orders should be at the office by 9:00am otherwise students may not get their first choice of ordered food.

Unwell:

To support the health and wellbeing of all our students and staff if your child is ill or feeling unwell, even with a simple cold, they must not attend school. They **must** remain home and seek medical advice. Thank you for supporting us with this new health recommendation.

Students Arriving Late Covid-19 Policy:

Due to Covid-19 restrictions **NO Parents/Carers** are to enter the school grounds. If you need to sign your late child in and they enter via the Nicholson Street or McCulloch Street entrances please **do not** walk them directly to their classroom, you should either have your child come to the office and **sign themselves** in or alternatively you can call the school from the gate and we will send a staff member out to collect your child.

If you need to pick your child up for an appointment or their program requires them to be picked up earlier then **you must enter via Main Street** and come directly to the office, we will then call the classroom and have your child sent over. Please do not go directly to the classroom. If you need further clarification then please call the office on 5152 4395 between 8.30am - 4.00pm

Entering the School Grounds:

If you need to talk to a classroom teacher or another member of staff please contact them via Classdojo or call the office to leave a message for them to return your call. Please **do not enter** the school grounds and go to your child's classroom. However if the matter is urgent please go directly to the office where staff will be able to assist you.

These measure have been put in place to protect the health and wellbeing of all staff and students.

These restrictions will be in place for the foreseeable future. We would like to thank you all for your understanding and continual support in these exceptional circumstances.

Jeans for Genes Day:

Friday 7th August is Jeans for Genes day. Our school participates in this day by having a fun "Wear your Jeans day" all we ask is that any student wearing jeans on this day donates a Gold Coin. Students should still wear their normal school shirt and jumper.

Foods marked green are healthy food choices. This is guilt-free canteen food, which is low in sugar, salt and fat.

Foods marked amber are foods that should only be eaten in moderation as part of a healthier diet. These foods contain significant levels of salt, sugar and/or fat.

The canteen is endeavouring to improve the quality of food available to students. We are reducing the number of unhealthy manufactured goods. This inevitably increases the labour and time involved in making healthier options.

Volunteer help would be greatly appreciated if parents/caregivers have some time to spare. Even an hour a week we be of help. Please see the School Office or Devon in the Canteen for more details.

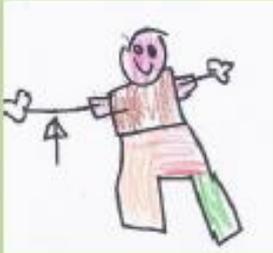

Paper Bags (if not provided) - 20 cents

Write the lunch order on a clean brown paper bag and remember to include Child's name and Class. Lunch orders must be placed by 9.00am. Remember the Canteen is only open from Tuesday - Friday only.
