### Week 5 Term 3

Hello Everyone,

This Friday we are having one of the school's major sporting events of the year, the Whole School Athletics Day at Howitt Park.

The grades 3, 4, 5 & 6s will be leaving at 9:00 as the first events are starting at 9:30.

The junior events will begin at 10:00. Students can come dressed in their house colours for the day to support their team.

The weather should be a pleasant 17C and a partly cloudy day. Students should dress appropriately for the day with layers and a hat.

Sunscreen will be provided by the school. Students will need to bring plenty of snacks to graze on as they compete throughout the day and a full bottle of water. We are hoping to see as many supporters as possible attend the carnival to give encouragement to all our students.

On Monday 20<sup>th</sup> of August, book week will begin. We are kicking off the week with a dress up day based around your child's favourite book character. This is a great opportunity to talk to your children about the books they like to read. Discussion around plots and characters can improve a child's understanding of what they have read. Reading also improves imagination and creativity. I hope that next week there will be lots of discussions about books read at school and at home.

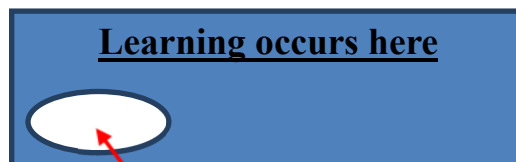

Miss Langley's 3/4 B are walking up to Maddocks Gardens next Tuesday 21<sup>st</sup> of August to read books to the residents and create a relationship that will have positive outcomes for the students and residents.

Something to ponder. That learning occurs when you are taken outside your comfort zone. We all need to be challenged to learn and to do that, there needs to be a slight uncomfortable feeling, a little bit of pressure felt internally. Can you remember when you got a new computer program, a flat pack of furniture, you had to speak publically or you had to start a project at work that was something new? Those butterflies start in your stomach. By the end, though, we begin to feel confident and have a certain level of mastery. If we were to stay in our comfort zone all the time we would not be challenged and therefore never learn anything new. So take that challenge to step outside that comfort zone because we are asking your children to do it every day.

Yours Sincerely  
Warwick Fraser  
Principal
