## Principal's Message

### Week 6 Term 3

Welcome to the third day of Spring! How nice does the blossom look outside the Grade 1/2 building! I hope you and your family take this opportunity to get outside and enjoy the delightful East Gippsland weather. We are all travelling together through very difficult and challenging times, and I hope that fresh air and sunshine gives us all a little of a boost this week.

Have a look at the new basketball court! This will be very exciting for the children's return in Term 4. The Netball court is also being transformed! Our grounds are looking fabulous. We can't wait for you all to be back onsite so you can take a tour of the work that has taken place this year.

As we heard on Wednesday, the current restrictions will remain in place until the end of Term 3 2021. At Bairnsdale Primary School we will continue to provide a remote and flexible learning program to all students through the WebEx and Dojo platform.

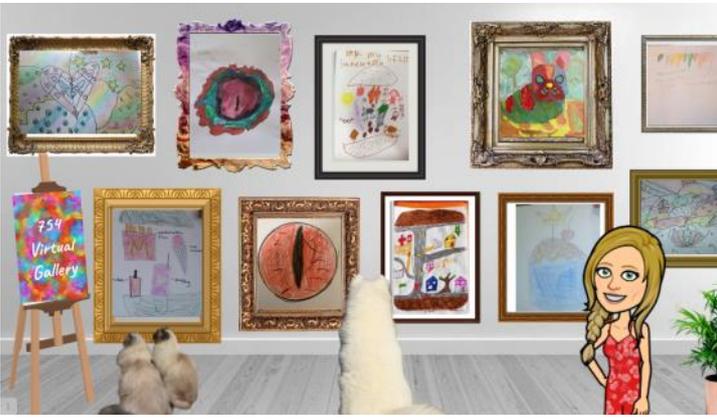

Bairnsdale Primary School is ensuring that staff are supported and offered flexible working arrangements in order that they can take part in the COVID-19 vaccination program currently being rolled out across the State. More information will be provided to the community about student vaccination as it comes to hand.

It might still seem like a fair way off, but the school is currently preparing for the 2022 school year. As you could imagine a lot of time and effort must go into ensuring that staffing, resources and programs are ready for the new year. To help us with this process I would ask that any families that have a sibling, friend or neighbour who is wanting to join out 2022 Prep class next year, contact the school as soon as possible to organise an enrolment form or a virtual tour so that we can confirm their enrolment. In the same way if your family is leaving at the end of the school year, please contact our office to let us know.

# How To Trap a Stone Giant

Did you ever want to trap a 10,000\$ Stone Giant?"

Well here's a solution for you!

By: Tiieal Kennedy

## Equipment:

a rusty spade,  
a old small sheet,  
5 fresh leaves,  
2 scary sticks  
and some magic meat.

## Method:

First, carefully dig a hole.

2. Next, gently cover the pit with the sheet.

3. After that, silently put on the leaves and sticks.

4 Finally, quickly put the meat on top. 5 Now move away fast, hide behind a tree and wait.

6 In the end, the Stone Giant will not be able to resist and will, therefore, fall into the pit.

## Warning:

Do not enter a Stone Giant's cave as there may be baby giants chewing on pebbles and they have BIG appetites!
