Week 10 Term 3

Hello everyone,

Unfortunately, due to circumstances beyond our control the Term 3 Disco has had to be postponed until Term 4. I would like to apologise if this causes any inconvenience to families. We will endeavour to run the disco early in Term 4.

Just a reminder that parent teacher interviews are on tomorrow from 4:00- 8:00 and on Friday from 8:00 – 1:00. There will be no classes on Friday but your children are expected to attend their interview with you. Times can be booked online through Compass or if you ring the school Tracey or Lisa will be able to assist you. It is vitally important that you meet with your child's teacher to discuss their progress this year and lay out some possible goals for the last term.

We are lucky to have Dan Petro back on the first 2 days of term 4, Monday 8th October and Tuesday the 9th. Over those 2 days Dan will be working with some of our students and teachers in classes. It is very exciting that we have been able to book Dan for Monday evening from 6:00 until 8:00. Dan will talk about different parenting strategies and how best to work **with your children**. His entertaining look at this most important of tasks, to raise our children to be happy and successful in their lives, always gives nuggets of knowledge that will assist every parent.

Swimming begins on the second Monday of school, 15/10/18. A copy of the swimming timetable is attached to the newsletter. Parents will need to pack bathers, towel, swimming goggles and a spare pair of undies. It should be a great program over the term and I know the students will have a wonderful time at the pool.

On a personal note I would like to thank the staff and students at 754 for supporting me over the last six weeks while Ms Nagle has been away. I have really enjoyed this challenging time and know that I have learnt a lot about myself and the school.

Warwick Fraser
Acting Principal

happy
holidays!

Parent Teacher Interviews:

Bookings are now open to Parents/Carers via the Compass portal. This is our preferred method for you to make appointments with your child/children's teacher. If you have problems please call into the office so they can assist you.

Thursday 20th September is a normal school day for students as parent/teacher interviews do not commence until 4.00pm. Please remember that students are only required at school on Friday 21st September while attending their parent/teacher interviews with their parents/carers.

School Disco **POSTPONED:**

The school disco that was due to be held tonight has been postponed until term 4. Unfortunately our DJ is not available due to unforeseen circumstances.

Swimming Lessons Prep - Grade 4:

Swimming lessons commence in term 4 for prep to grade 4 students. Lessons will be held every Monday with the first session being Monday October 15th. Swimming lesson must be paid in full prior to the first lesson. Permission notes were sent home last week, if your child/children will not be participating can you please inform the classroom teacher of the office.

Curriculum day:

Monday 22nd October is a curriculum day so there will be no school for students. Staff will be involved in training day with the Fountas & Pinnell Literacy™ educators.

Dan Petro:

On Monday 8th October Dan Petro will again be visiting our school. We are holding a Parent information session from 6.30pm - 8.00pm. This is a free session and open to all parents/carers.

School Holidays:

School holidays start on Friday 21st September, students are not required at school on this date as we will be conducting Parent/Teacher Interviews. The first day for term 4 is Monday 8th October.

Ready Set Go Prep transition Program:

Our Ready Set Go, free school ready program commences on Friday October 12th. If you have a child starting school in 2019 please call the office to book a place. This program will run every Friday from 9.15am - 2.30pm. This is open to the general community and you are not committed to send your child here at the completion of the program.

Music Lessons Term 4:

Due to swimming lessons taking place on a Monday throughout term 4 we have made a change to the day students have their lessons with the music tutors. Students will now have their music lessons on Tuesday mornings for the duration of term 4. Unfortunately some families still have outstanding music fees so your child/children will not be able to participate with the Music Enrichment program in term 4.

Please see the office staff if you have a concern with your music fees.

Grade 6 Photo Day:

On Tuesday 9th October we have the school photographers coming back to the school to take end of year photos of our grade 6 students. Unfortunately we can not accommodate other students or families at this time. Can you please make sure your child/children are in the correct school uniform. Thank you.

Student Awards

Prep A: Frederick Bowerman for always having a go and trying his best with his work. You are showing great improvement.

1 / 2 A: Xander Strickland for working hard to improve his resilience. Xander was able to demonstrate this by persevering and trying his best when reading to the teacher. You should be very proud of how far you have come with your reading.

1/2 B: Kobe Fields has been continuing to demonstrate resilience at school. He has been able to play fairly in the playground and move on from small issues. He is really showing maturity in his actions in both the classroom and the playground. Well done Kobe, we are super proud of your effort.

1/2 C: Harmoni Tregea-Eades for showing resilience when she is faced with the problem of not having anyone to play with out in the playground. Harmoni never lets this issue get her down, she makes the effort to seek out and play with other students she doesn't interact with in the classroom.

3/4 A: Caleb Campbell for being a resilient "special friend" and working hard to catch up on his work requirements.

3/4 B: Grace Smith for demonstrating the school values of respect, responsibility and resilience in the classroom. You are always smiling while doing so, Fantastic.

3/4 C: Kailee Helmers is a student that always completes her work to the best of her ability and is always willing to have a go.

5/6 A: Teacher Absent

5/6 B: Annabelle Greaves for showing resilience. You were very brave when you fell and broke your arm and grazed your face. You are such a positive person and we know you will bounce back.

5/6 C: Gracie Ross copes with difficult situations with resilience and respect for others. She is also improving with being able to concentrate on her work and ignore distractions

5/6 D: Ella Balmer has made such an improvement in the classroom. You have applied yourself when you received feedback and we have seen great results because of this.
