Principal's Message

Week 8 Term 4

We are really looking forward to the end of the year where we are able to celebrate the successes of all the students. Please ensure that you continue to keep a close eye on the calendar as there are some very important events coming up.

New COVID Requirements

Parents and carers attending schools, including for drop off and pick up, must adhere to physical distancing, density limits, face mask requirements and practise respiratory etiquette and good hand hygiene. Parents and carers who enter school buildings must check in using the QR code and show their immunisation status.

Parents and carers who enter school buildings must also have had at least one dose of COVID-19 vaccine and must have had two doses of COVID-19 vaccine by 29 November 2021 or have a valid medical exception with the following limited exceptions:

- when attending to administer medical treatment to their own child when the treatment cannot be administered by the school
- when attending to collect their child who is unwell and cannot leave the school building unaccompanied by their parent/carer.
- when attending for a momentary period that does not involve any sustained contact with staff or students, for example, to collect a completed art project or similar.

Parents and carers attending any event or activity inside a school building including, but not limited to tours, graduations, kindergarten transition and whole school events are required to show evidence of vaccination.

Meetings such as Student Support Group meetings with parents and carers who do not meet vaccination requirements should be held virtually.

Simon Blake
Principal

There is **never** an occasion when violence is an acceptable behaviour.

Foods marked green are healthy food choices. This is guilt-free canteen food, which is low in sugar, salt and fat.

Foods marked amber are foods that should only be eaten in moderation as part of a healthier diet. These foods contain significant levels of salt, sugar and/or fat.

The canteen is endeavouring to improve the quality of food available to students. We are reducing the number of unhealthy manufactured goods. This inevitably increases the labour and time involved in making healthier options.

Volunteer help would be greatly appreciated if parents/caregivers have some time to spare. Even an hour a week we be of help. Please see the School Office or Devon in the Canteen for more details.

Paper Bags (if not provided) - Please add 20c

Write the lunch order on a clean brown paper bag and remember to include your Child's name and Class. Lunch orders are placed in the basket in the classroom before 9.00am. Late orders may not be accepted.
