Principal's Message

It was fantastic to see so many families at the Maths Evening last week. There definitely were some challenging tasks that students and family members had the opportunity to tackle. It was great to see some students persevere and show resilience when faced with the challenge. Sometimes, we focus on the end product too much and forget about all the learning that can occur during the process of trying to solve a problem or puzzle.

Just a reminder that we will be hosting a **free** Community Welcome BBQ tomorrow evening between 5:30 pm – 6:30 pm. It would be great to see as many of you as possible and it is a great opportunity to meet the staff and other families. A strong and positive relationship between home and school is vital in supporting your child's education.

Please also remember to sign your child in at the front office if they arrive after 8:50am. This is a very important process that will provide consistent attendance monitoring and to also ensure duty of care practices.

I have just returned from the Division Swimming Carnival where we had 10 students representing our school. They showed amazing sportsmanship and resilience in the very difficult conditions. I would like to congratulate all students for making it to this level and to offer further congratulations to Jami C for obtaining a 3rd place in Butterfly and Breaststroke. Jami will progress further to the Regional Swimming Carnival next month and we wish her all the best!

OLD TOM

Author Leigh Hobbs:

On Friday 28th February we are lucky enough to be having author Leigh Hobbs visit our school. Leigh has written many, many books and some of his more famous characters are Old Tom, Mr Chicken and Horrible Harriet. On page 8 we have attached an order form for those families that would like to order some of Leigh's books and have them signed. You can also head on over to Schoolworks at 147 Macleod St, Bairnsdale to view many other titles from Leigh Hobbs.

SunSmart Policy:

Just a reminder to all parents that students must have a hat at school every day in Term 1, 2 and 4. Students will be asked to sit in an undercover area at break times if they do not have a hat at school.

School Start and Finish Times:

We would like to remind families that school starts promptly at 8.50am and finishes at 3.15pm. Some children are still waiting for parents to pick them up beyond 4.00pm each night which means they are in the school ground with no supervision. If you are running late please call the school so that we can have your child wait in the office. Please also be reminded that children should not arrive at school before 8.30am as there is no supervision in the school grounds before that time. Thank you for your co-operation.

CSEF Forms:

Just a reminder to families that hold a current Health Care or Pension card to please remember to return your CSEF (Camps Sports and Excursion Fund) forms to the office as soon as possible. If eligible each child will receive \$125.00 that sits in the family account and can be used towards any camps, excursions or sporting events. Please check with office staff if you have not received or have misplaced the original CSEF form.

***** Grade 5/6 Camp Notes: *****

We still have a large number of students who have not returned their consent or medical forms for Sovereign Hill camp. These need to be returned ASAP. If your child is not attending camp please send a written note explaining this, so that your family account can be credited.

754 Community Playgroup:

Our Community Playgroup will commence on Thursday 5th March. Playgroup will again be run by Mrs Fiona Clarke in the school hall from 9.00am - 11.00am

Playgroup is free of charge, open to all members of the community (not just current parents) fresh fruit is supplied. Come and have a cuppa, meet other parents and have fun playing with your kids.

Free Welcome BBQ:

Tomorrow night is our 754 Community Welcome BBQ. Please find the time to pop in and meet the staff that work with your children as well as taking the opportunity to meet our new Principal, Simon Blake. There will of course be a free sausage sizzle happening so please enjoy a snag on us.

754 Annual Easter Raffle:

We are collecting for annual Easter Raffle and ask if families could please donate a small Easter item or Easter egg for our hamper located at the School Office. Raffle tickets will be coming home to each family very soon. The lucky winners will be drawn at School assembly on Monday 23rd of March. Thank you.

This week I am going to introduce you to the WORKSHOP MODEL.

In every classroom at 754 we use the Workshop Model to structure every lesson.

The Model allows teachers to deliver short explicit lessons followed by plenty of time to practise the skills/strategies they have been taught.

During worktime, students practise skills being taught and the teacher can work 1:1 with students or work with small groups on strategies.

Catch allows staff to look at what the children are doing well, and it also allows for students to have a small break and refocus on the tasks they are involved in.

The final section of the Workshop Model allows the teacher and students to come together and revisit their learning goals for the lesson and whether they were successful.

All teachers use this format when delivering Literacy, Numeracy, Visual Arts, Science, PE and Humanities.

The beginning of the year is the best time to set up these structures and routines, to enable all students the best chance of learning.

WORKSHOP MODEL

Please feel free to come and chat to me or any staff member about the Workshop Model and how it improves both teaching and learning.

Ms. Dobson.
