Week 7 Term 2 - 2019

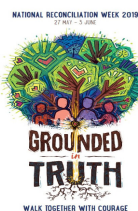

Good afternoon to our 754 community!

"People don't notice whether it's winter or summer when they're happy"

Anton Chekhov once said! Well..... I am an extremely happy person and I have noticed it is freezing!

What a change in temperature we have had. With the cold weather arriving we have had to bring out our jumpers and jackets, please be sure all of these items are named. We have a large supply building up, and we don't know who to return them to. One green jumper really looks the same as the other green jumper, when it doesn't have a name.

We finished up Reconciliation Week - Grounded in Truth - Walk together with Courage with a performance from 3/4C at our assembly on Monday. Mrs Fitzclarence and her lovely 'choir' sang a song called **Welcome to all People** by Ruby Hunter. It was a fitting way to end the week recognising all Australians, and the unique place of Aboriginal and Torres Strait Islander people within our country.

District Winter Sports were held last Thursday, all the Grade 5's and 6's travelled to Paynesville to compete against our neighbouring schools. From all accounts there were some very close competitions throughout the day. The Girls Soccer Team came a draw, with extra time being played they could not be separated, so it went to a penalty shootout with 754 beating Paynesville. There's nothing like a cliff hanger game!

This Friday is Report Writing Day for 754 (**Student Free Day**). The teachers have been busy testing and collecting data to ensure you are given the most accurate picture possible of how your child/children have travelled in Semester One. The reports will be handed out in the final week of term.

I am completing the newsletter today because both Trudie and Warwick have been in Melbourne all week at the State Principals Conference. It is expected that every day will see approximately 1000 Principals and Assistant Principals from across the state attend this excellent professional learning program. (The total is expected to be 5000 across the week.) They have had international guest speakers/ presenters the likes of Dr John Hattie and Dr Russel Quaglia. I'm sure that Trudie and Warwick will give us all the feedback on their return.

There is **never** an occasion when violence is an acceptable behaviour.

Something To Ponder: In every newsletter every week, the Bairnsdale Primary School SWPBS Matrix is published. Can you remember the last time you sat with your children and discussed the expectations? Can your children explain what the Matrix means? Have you asked how your children model these expectations in the classroom and in the playground, and do they model them in your home? Why not sit with your children tonight, after they have read their readers, and go through it together, or it could be your reading activity tonight.

Head Lice:

Thank you to the parents that donated their time to complete a whole school head lice check this week. If your child brought a notice home please remember to confirm treatment, sign and send the notice back to the school. Please remember to retreat your child after 5 days.

Smoking around the school:

We would again just like to remind parents/carers that smoking is not permitted within 4 meters of the school boundary.

Earn and Learn Stickers:

Our school is again participating in the Woolworths Earn and Learn promotion. For every \$10.00 you spend you will be given a sticker. You can either place the stickers in the 754 Primary School collection box at the front of the Woolworths store or alternatively you can bring the stickers to school and place them in the collection box at the office.

Art Room News:

The art room are now looking for donations of empty and clean tin cans (baked beans etc.) as students are now moving onto making wind chimes. Thank you to everyone who donated bottle tops. Take a look at a few of the designs that were made from the bottle tops on the next page.

Community Breakfast:

On Thursday 27th June the Salvation Army will hold a Community Breakfast beginning at 8:00am. The community breakfast is open to all in our school community, Parents, Kids, Grandparents, Carers, Aunts and Uncles. All that we ask is that you help out by giving a **Gold Coin Donation**. Any donations received help the Salvation Army to continue to offer programs in and around our fantastic community for those less fortunate than ourselves.

Book Donations:

Thank you to the Uniting Church (The Shed) in Paynesville for donating a huge bag of books also to Elizabeth SG who donated all the books she was unable to take with her when she moved.

School Council Update:

Hello from the new School Council for 2019. We will use this opportunity in the newsletter to update the school community on things of interest from School Council meetings. Please get in touch with your parent representatives via the school front office at any time.

School Council Members profile:

Our recently elected President is Caroline Love who has a child (Maddy) in grade 4. Maddy is loving the fact that you can climb the trees at 754 during break times. Caroline joined the school council last year after her family moved to Bairnsdale from NSW. Caroline is keen to see an active council supporting our school as much as they can. Please share any ideas with Caroline that you would like raised if you see her around the school or via the front office.

BEEC block:

Last year the future of the small block of land that is for use by 754 was discussed by some committed parents and staff. There were lots of ideas of what could be done with the block, but we need some parents to step forward and be on a small working committee to ensure all these good ideas can happen! Please express your interest to be actively involved by **June 17th** to the front office.
