Week 8 Term 2 - 2019

Hello all; WOW today has been a whirlwind, with things happening left right and centre. Plus, I feel like I haven't really been here for a few days, between the Victorian Principals Conference in Melbourne last week and then, Report Writing Day, plus I was out all day yesterday at the Bairnsdale Tambo Network Principals meeting! All day today I was quite convinced that it was Tuesday!

Starting off with: Term 3 Community Consultation Night

Date: Wednesday 14th August @ 6.30 to 8.00pm

Please put it in your Diaries! This event has occurred for the past 3 years and is now an annual event on the 754 calendar. It tends to be a round table affair, where we discuss a series of questions, concerns or programs that are running at the school. All members of our community are encouraged to come along. We also have a number of Principals from other schools in our Network that "host" a table, plus School Councillor members, parents and students.

The reality is that I have set the agenda for the past years and now I am wanting to hand over to you: I am really keen to hear what you might like to be the topics for discussion on the night.

All you need to do is ring the office or send in an email or note: indicating your suggestion.

I will take these on board and we will again try and host a fantastic event where all members of our school community can become involved with school decision making and influence thinking.

I am very happy to chat to you anytime. I'm looking forward to your input.

Grumpy face – As I started to walk through the yard this morning, I was confronted with graffiti painted / scribbled over one of our walls on the main building. Our beautiful heritage listed building now has an ugly scare. It was rubbish writing and drawings – if you have any idea of how this has happened I would really like to know, so that those responsible can be reported to the police. This type of deliberate vandalism makes me really cross and it definitely happened last night.

Something to ponder:

How do you help your children – what strategies do you teach them to cope when they get angry? Every page of our newsletter writes "Violence is never ok" – yet I saw first thing on the news this morning (A police officer stabbed whilst on duty, he was attending a domestic violence incident) and yesterday one of our own students got angry so slapped another across the face. There is not a time ever where this is ok. We all get cross and angry at times, but how do you teach your children or even role model to your children how to manage this? Indeed, something to ponder.

Smoking around the school:

We would again just like to remind parents/carers that smoking is not permitted within 4 meters of the school boundary.

Earn and Learn Stickers:

Our school is again participating in the Woolworths Earn and Learn promotion. For every \$10.00 you spend you will be given a sticker. You can either place the stickers in the 754 Primary School collection box at the front of the Woolworths store or alternatively you can bring the stickers to school and place them in the collection box at the office.

Art Room News:

The art room are now looking for donations of empty and clean tin cans (baked beans etc.) as students are now moving onto making wind chimes. Thank you to everyone who donated bottle tops. Take a look at a few of the designs that were made from the bottle tops on the next page.

Community Breakfast:

On Thursday 27th June the Salvation Army will hold a Community Breakfast beginning at 8:00am. The community breakfast is open to all in our school community, Parents, Kids, Grandparents, Carers, Aunts and Uncles. All that we ask is that you help out by giving a **Gold Coin Donation**. Any donations received help the Salvation Army to continue to offer programs in and around our fantastic community for those less fortunate than ourselves.

Book Donations:

Thank you to all the families that continue to donate books to our school to contribute to classroom libraries, we are so appreciative.

CSEF (Camps Sports and Excursion Fund):

Just a reminder to families that hold a current Health Care or Pension card to complete and return a CSEF form from the office. This gives your child \$125.00 dollars that can be used to help pay for any camp, sporting event or excursion/incursion. Application close on 29th June.

Grade 34C - Things that are special about 754

William ~ June ~ Student Voice.

3 Things that are special about 754.

- I really like that you can ride your bikes and scooters because it's good fun going on the jumps.
- I love that you can go to art because there's lots and lots of materials to work with and you can also be part of the art group that you can paint around the school.
- I also love that each student has a Chromebook to use.

Lacey ~ June ~ Student Voice.

3 Things that are special about 754.

- I really like that you are able to sign up for music. Some kids don't play any sports after school so they have music lessons.
- I really like that you are able to ride scooters and bikes in the playground. It gives kids exercise and if they don't have anybody to play with they can ride their scooter or bike.
- I really like the preps room because it reminds me about the old library when I was in prep. It has been a prep room for 4 years.

Shelby ~ June ~ Student Voice.

3 things that are special about 754

- I really like how we are able to move tyres, logs and fake grass around to make a cubby. It's lots of fun making a cubby when you have nothing to do.
- I love the canteen menu at the canteen. There is a very wide variety of foods to choose from, and there is delicious food.
- Something that is really special about this school to me is that when you are about to leave to go to high school, you will make something to display at the school. So you are still part of the school when you leave.

Ethan - June - Student Voice.

3 things that are special about 754.

- I really like the playground at 754. It is the place where kids can have fun.
- I also really like the library at 754. If you have returned a library book you can borrow another book.
- And last I really like the Hall at 754. Because if it is a sport day and it is raining outside we can do sport in the hall.

Holt was once a circus star, but he went off to war and when he returned it had terribly altered him.

Circus owner Max Medici (Danny DeVito) hires him to take care of Dumbo, a newborn elephant whose oversized ears make him the laughing stock of the struggling circus troupe.

But when Holt's children discover that Dumbo can fly, silver-tongued entrepreneur V.A. Vandevere (Michael Keaton), and aerial artist Colette Marchant (Eva Green) swoop in to make the little elephant a star.
