Principal's Message

Week 7 Term 3 - 2019

Good afternoon again and welcome to week 7. Busy, busy – always busy, but I guess that is no different to most of you too! We had a wonderful Community Consultation Night last week and I am thrilled to say that the feedback from our families was overwhelmingly positive. I had asked for topics to discuss from the families and one "ripper" than I received was: "Given the huge focus on Literacy and Numeracy, have we seen the improvements that we hoped for?" Great question and yes, absolutely. On the night I was able to walk through all the data and talk about the "boxes" that we need to consider when the Department is looking at school improvement. Thanks you so much to all that attended and your ongoing support and commitment to our school – but more importantly to your children's education. I also need to thank the 8 Principal's from other schools who attended to support the night. The level of collaboration between principals and schools in our Network is markedly on the rise - Thank You!

On Tuesday our 754 team competed in the District Athletics event – again I have nothing but positive feedback about how well our kids competed and how well they represented themselves and the school. The staff who attended, "raved" about what a great day it was. (Congratulations Mr O) I know that many of our kids have made it to the next level of competition. The lists of who and in what events will be listed as soon as it is available.

Next Monday we will have a visit from Buchan Primary School Principal and all their staff, to walk and talk through our school. They will be specifically focussing on how we construct the Learning Intentions and Success Criteria for each of our classroom learning sessions. I look forward to this opportunity to share the learning between our schools – always in the best interest of all of our children in Outer Gippsland.

Principal's Message - continued

Naplan – yes, this has hit the headlines this morning! The early release of information, before schools see it, can be a little frustrating. We will not have access to the results for 754 until next Monday. So next week's newsletter should be full of "how our kids have gone".....stay tuned.

Something to ponder: What are you doing this coming weekend? Can you make an outdoor experience for your children – doing or seeing something that they have never done or seen before? Friends of mine, recently visited the Buchan caves – loved every minute of the experience. They didn't realise something so wonderful, was just up the road!

Grade 3/4 Camp:

Camp for the grade 3/4 students is happening from Wednesday 4th to Friday 6th September (next week). Please ensure your child is at school on time as the bus will be leaving at 9.00am. Students who have not returned consent or medical forms will not be able to board the bus.

All medications need to be clearly labelled in a zip lock bag with your child's name, class, dosage amount and times to be given. Medication should be handed to the classroom teacher by a **parent/carer** on the morning of the camp.

A packing list has been uploaded to the Compass portal for those that may have misplaced the original list that was sent home with the medical forms.
