Principal's Message

Week 9 Term 3 - 2019

Hello and Goodbye! Yes, India has finally arrived and tomorrow will be my last day for this term. Early Friday morning I am off to Melbourne, then on a plane (Air India - Ha) and on my way to Dehli. I am very excited about the trip and very much

appreciate the wishes of good luck that I have received. Last week I skyped with my Indian Partner Principal, Shashi Banejee, and she too is very excited. The school has 3 different campus's and 4000 children. It seems that I will be spending a good deal of time speaking with student groups and talking to a collection of Principals from different schools also. I will certainly be learning a great deal about Indian Culture, Indian Education and I hope to indulge in a little "street food" as well. The first night in Delhi, the whole group has a formal dinner with the Minister for Victorian Education, James Merlino - So there is much to look forward to. Namaste' and see you when I get back, just in time for the start of term 4.

Pre Prep Program / Ready Set Go:

This program will again operate in Term 4, every Friday. It is wonderful to hear that other schools in our Network are "taking a leaf out of our book" and have started running similar programs in their own schools. It's all about best preparing our children for the start of school and providing the best education possible across all our schools. This year we will have Margaret Thornton and Claire Jewitt providing our program. Both Marg and Claire have extensive knowledge and backgrounds in Early Childhood and will work with both Fiona

and Lauren to ensure a "first class" experience for our kids. Last year we had a hiccup, in that some families wanted to pick up other children early on a Friday - we hopefully have

sorted that out, in advance, so that isn't a problem this year. Please encourage any families that you know, that have a child starting school next year to engage in this program. They won't regret it!

Principal's Message - continued

Oceans 5: The 2019 School Production is now well and truly in full swing. Why, I think I even heard some staff singing a song or two as their classes rehearsed. I must thank Tina Fitz for all of her outstanding work with productions, not only this year, but in many previous years. Her work is remarkable and the number of extra hours put into it, enormous. I know how much the kids and the families enjoy the event, so please be sure to buy your tickets from the office. As I won't be able to be there – "Break a leg", and I will watch the video!

Parent requests for 2020: It is at that time of the year again, when we begin to think about classes for 2020. If you have a particular request or piece of information that you think we should be aware of – please put it **in writing** and pass it onto myself or give it to the office staff. We will be trialling a new system this year, the more information that we can have early the better. I am happy to chat any time

Something to Ponder: *If you could travel anywhere in the world, where would it be and why? Ask your children and see what they think, you may be surprised.*

Dropping Off / Picking Up Students:

Please avoid dropping / picking up children in this area between those times. Thankyou for supporting safety around our school.

Westdale Kindergarten visited our school.

We had such a fun visit today from the students at Westdale Kindergarten. It was part of 754's Reciprocal Visit Program with local Kindergartens. The students today participated in a literacy activity based on the big book "What's for Tea". There were lots of predictions about what the crocodile would eat next. The kids were counting, reading and writing about ideas from the story.

It was extraordinary seeing 50+ students sitting cross legged on the floor totally engaged in the reading. Nice effort Mrs Strecker!

After the inside activities, the students wandered out to the playground and had some fun climbing, sliding and wobbling across the rickety bridge. A great morning indeed! Thanks Westdale Kindergarten for visiting our school.

Student Awards

Prep A: Blake Bennett for being resilient last week. Blake fell off his bike last Wednesday but was very brave. He required a number of Band-Aids and an ice pack but did not complain once. Well done, Blake.

1/2 A: Sophie Knight for showing our school values of Responsibility and Resilience whilst working hard to understand the maths concept of chance.

1/2 B: Brody Gosland for participating in our learning activities all week. Brody has really tried to be involved in all of our learning this week. He has especially been keen at trying to improve his writing and coming up with new writing goals. Keep up the awesome work Brody!

3/4 A: Bella Pettersen for showing kindness and empathy when encouraging other students to take part in camp activities. Bella brought a positive attitude to camp and showed respect at all times.

3/4 B:

3/4 C:

5/6 A:

5/6 B: Grace smith generally, you are a 'good' student and classmate. Excitingly, last week you stepped out of your comfort zone and took on feedback to improve your Independent Reading Task. You demonstrated what 'GREAT' students do: reflect and take control of their learning to become better.

5/6 C: Sally Hoffman your descriptive piece about your dog Lenny was outstanding. You used all your VCOP skills and you were persistent and kept editing and up-levelling until you had the perfect piece. I really felt like I got to know Lenny. Your best work yet! Well done.
