Foods marked green are healthy food choices. This is guilt-free canteen food, which is low in sugar, salt and fat.

Foods marked red are foods that should only be eaten in moderation as part of a healthier diet. These foods contain significant levels of salt, sugar and/or fat.

The canteen is endeavouring to improve the quality of food available to students. We are reducing the number of unhealthy manufactured goods. This inevitably increases the labour and time involved in making healthier options.

Volunteer help would be greatly appreciated if parents/caregivers have some time to spare. Even an hour a week would be of help. Please see the School Office or Devon in the Canteen for more details.

Paper Bags (if not provided) - Please add 20c.

Write the lunch order on a clean brown paper bag and remember to include your Child's name and Class.

Lunch orders are placed in the basket in the classroom before 9.00am. Late orders may not be accepted.
