## Principal's Message

### Week 7

This week we have seen the commencement of NAPLAN for some students in Year 3 and 5. They have all completed their Writing and Reading tests and this process will continue next week with Spelling and Maths tests to be undertaken. All we ever ask is that the students try their best!

The School Council is fast approaching (Thursday 23<sup>rd</sup> March) and we are still requiring parents/carers to join. If you are interested or have any questions then please don't hesitate to come and see me.

It has been an absolute pleasure to walk through the classrooms this week and see all the amazing work that the students are completing. We are only in Week 7 and it is so evident that the students are already progressing with their learning. The growth in the Prep building is extremely evident with all students understanding the routines and expectations of the school.

Please ensure that you keep a lookout for the upcoming Parent/Teacher interviews as this will be a great opportunity to discuss your child's academic progress.

**Simon Blake**  
Principal

### **Smoking Ceremony Friday 24th March:**

On Friday 24th we will be holding a special Smoking Ceremony in conjunction with Girtgan. The Smoking Ceremony will be conducted by our local Koorie Engagement and Support Officers (KESO's) that work within the Education Department. After the Smoking Ceremony the KESO's will go on to explain why Smoking Ceremonies are performed and their importance within the Indigenous Communities. We would like to invite all Parents and Carers to attend this special event.

### **East Gippsland Division Tennis Competition**

Our Primary School's Division Tennis Competition will be held at the Bairnsdale tennis club on Tuesday 28<sup>th</sup> March. We are looking for any of our students from grade five and six who would like to enter this competition. Competitor must be competent tennis players who are able to sustain a rally and score their own matches. The top four players in the girls and boys category will qualify for the Region Tennis Championships which will be held at Traralgon at a later date. If any students would like to have a go please talk to us at school to obtain an entry form which must be filled in and returned to school by next Friday 24<sup>th</sup> March.

### **School Start and Finish Times:**

our school day begins at 8.50am and finishes at 3.15pm We understand that sometimes school time appointments are unavoidable but ask that these be kept to a minimum.

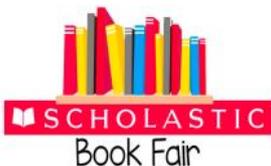

We require all students who arrive late to school to sign in at the office before going to the classroom. If you need to collect your child for an appointment please come to the office and we will call the classroom to send your child across. Please do not go directly to the classroom as we need to sign students out via Compass before they leave the school grounds.

### **Pink Day In Support of Breast Cancer:**

Thursday 23rd March will be a Pink Day here at school. All students can either wear pink for the day **or** their regular school uniform. For all students who wear Pink we are asking for a gold coin donation to raise money for Nicki Pollard one of our staff members, who is shaving her head to raise money for Breast Cancer. Please see page 8 of the newsletter for further information.

BAIRNSDALE  
VIEW CLUB

Dear Parent/Guardian,

Your child, having enjoyed participating in the SSV Primary School Bowls Championships, has expressed an interest in learning more about the sport and receiving further coaching.

The Gippsland Bowls Region (GBR) and its affiliated bowls clubs have established a junior team (the Gippsland Geckos) and a Junior Development Squad (JDS). The Squad caters for children between 12 and 18 years. Children under 12 will be considered in certain circumstances.

The sport of lawn bowls portrayed in the media suggest that it is only for our senior citizens. This could not be further from the truth. There is a transformation occurring around the world where more and more young people are participating in this exciting evolving sport. The representatives in our national team is between the age of 20 and 35. There are hundreds of kids under 18 playing bowls around Victoria alone.

If you are interested in your child participating in this sport then please contact the Region secretary at [gippslandbr@gmail.com](mailto:gippslandbr@gmail.com) and 0405 120 181 or contact me (contact details below).

Further information can be sourced on the Region website

<https://gbr.bowls.com.au/>

and the Facebook page <https://www.facebook.com/GippslandGeckos>.

The Region will introduce you to the correct person/coach at your local club and your child will be coached by Australian qualified coaches.

The GBR JDS and the Gippsland Geckos U18 Squad will provide a platform for local juniors to participate in an inclusive non-contact skilful competitive sport with others of their own age. They are also a pathway to the Victorian U18 Squad and State representation.

Look forward to seeing more children around our 19 Region clubs and on their greens participating in this sport for girls and boys.

Nigel

# Gippsland Bowls Region's Junior Development Squad incorporating the Gippsland Geckos U18 Squad

- Exciting project of the GBR aimed at fostering more junior participation in Gippsland
- Opportunities for 10 to 18 year olds to attain guidance and advanced coaching from qualified coaches
- Competition against similar aged bowlers
- Pathway to Region representation with the Gippsland Geckos U18 Squad
- Pathway to representative opportunities at state and national level

Your clubs participation in this GBR project is integral to the development of junior bowls through:

1. welcoming junior bowlers and their family to a club
2. providing them and their family with opportunities for participation and competition
3. providing a pathway to the GBR Junior Development Squad, representation of the Region and ultimately State selection.

The Region will assist clubs in developing strategies to attract juniors and their families.

Juniors will be mentored by club coaches, who will assist in the development of skills and knowledge of our game. The club will encourage them to join the Junior Development Squad for further training and competition.

This model the GBR is promoting is aimed to increase membership of clubs with younger members of the community.
