## Principal's Message Week 6 Term 4

Term 4 is always busy and one of the tasks to be completed is the creation of grades for 2021. If you have a particular request regarding the placement of your child, please put that in writing via email ([bairnsdale.ps@education.vic.gov.au](mailto:bairnsdale.ps@education.vic.gov.au)) and forward it to either Ms Dobson or myself as soon as possible.

I am more than happy to discuss any concerns or considerations with you in person – just make an appointment.

We are also in the process of completing a staffing profile for 2021. This is a very time consuming process and we take great care in ensuring that we are allocating the staff across the school so that we can best cater to our students.

We are also attempting to provide students with as many different experiences as possible in accordance with COVID-19 restrictions and regulations. We acknowledge that students haven't been able to undertake the normal events and activities throughout the year so we are being very creative. Please ensure that you are checking the dates and events so that you are fully aware of what is coming up.

**Simon Blake  
Principal**

There is **never** an occasion when violence is an acceptable behaviour.

### **Drink Bottles:**

Please remember to send your child/children to school with a drink bottle every day that is clearly labelled with their name.

### **Unwell:**

To support the health and wellbeing of all our students and staff if your child is ill or feeling unwell, even with a simple cold, they must not attend school. They **must** remain home and seek medical advice. Thank you for supporting us with this new health recommendation.

### **Drop Off and Pick Up - Term 4:**

Parents and Carers, this term will see the same conditions in regards to social distancing, access to school grounds and the dropping off and picking up of students that we have been maintaining throughout the year. However if your child needs to be picked up during the day for an appointment please come to the school office (via Main St entrance) and we will collect your child for you, please do not go directly to the classroom.

If you need to speak to your child's teacher please call the school and we will arrange for the teacher to call you. Thanks again for your understanding.

### **SunSmart Policy:**

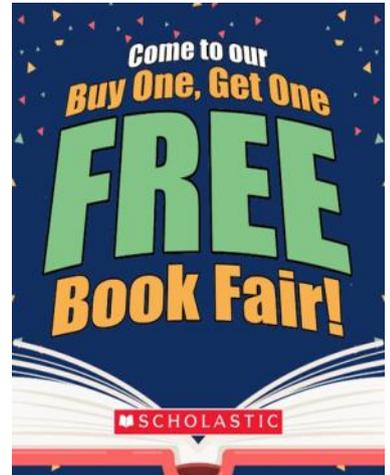

Term 4 is here and that means our SunSmart policy is current. Please provide your children with an appropriate broad brimmed or bucket style hat - no baseball caps please. All students are required to wear a hat during any prolonged period outside, this also includes P.E sessions. Please chat with your children about the importance of wearing their hats while outside.

### **Buy One Get One Free (BOGOF) Book Fair:**

This afternoon we took delivery of our Buy One Get One Free Book Fair.

Next week students will be given the opportunity to visit the fair and create a wish list. With parent permission students can purchase one book and then select another book for roughly the same value for FREE!

The wish list form allows you to pay for the books online at [www.scholastic.com.au/payment](http://www.scholastic.com.au/payment). If you would prefer to pay using cash or Eftpos, this can be done at the front office between 8:30am and 4:00pm during the week of the Fair.

If you decide to pay online please click the 2020 Book Fair, as our 2021 Book Fair is already online as well. Fiona Dobson, Book Fair Coordinator.

Once you have paid online please **send the wish list back to school** making sure you have added your online receipt number to the back of the wish list. Alternatively if you would like to pay at the office please bring the wish list with you. If you need any further information please do not hesitate to call the school on 5152 4395.

### ABOUT JUNIOR FIELD NATURALISTS

The Junior Group of Bairnsdale & District Field Naturalists Club Inc. is one of only two in Victoria. It is a family-friendly group and while the age range for juniors is under 18yrs, most junior members are of primary school age. Parents / guardians are expected to accompany juniors on activities.

An excursion is held at the start of each month (usually excluding school holidays) where Juniors can participate in walks, nature activities, meet local experts and people passionate about local flora, fauna, geology and other aspects of our natural environment. Some of the recent trips include fossil digs, scats and tracks, fungi identification, microscope use.

If you think you would like to join our Junior Group, please give me a call for further details.
