Principal's Message

Week 8 Term 3 - 2019

Good morning to you all; "We smashed it out of the park" – Please forgive my sporting analogy but I am referring to our 2019 Naplan results. If you had seen me in the hallways yesterday skipping, then you may have had a heads up! Given our outstanding results of last year, I must confess to being a little nervous about getting the same "kick" again – but we have indeed. One key area is "growth" – that is how much the children have improved from their grade 3 result to their Grade 5 result. It doesn't reflect that you are the top score, or a low score – it is totally about how much you have improved, learnt, grown over the 2 year period. We grew at a rate significantly more than across the state in each area - reading, writing, spelling, grammar and punctuation and last but not certainly not least – Numeracy! In terms of keeping our students in the top 2 levels in the state and maintaining that level of performance, we have again out shone the state in every element, bar one, (we missed writing by a smidge!). If your child is in grades 3 or 5, you can collect their individual Naplan results from the office from today. I would be very happy to speak to you and explain the score card – just ask. On Monday of next week any cards still at the office will be sent home with the students. I am so proud of our kids and all the staff!

The grade 3 / 4 camp at Coolamatong left this morning in beautiful sunshine and the atmosphere was high! These guys will have a great time and I am sure all will return Friday, puffed, dirty and really tired! I must thank the staff involved, as it really is a huge ask to be on duty 24 hours a day for 3 straight days. Keep an eye on our Facebook page, as we will update photos and information.

Principal's Message - continued

Something to ponder:

When was the last time that you were truly "out of your comfort zone? How did that make you feel and respond?

I will truly be out of mine, when I hop on a plane to India, never having travelled there before and starting to work in a school of 4000 students and 3 different campus's. I think of it as, healthy for your soul and good for your character to challenge yourself. What are your thoughts and how do you help your children "be uncomfortable"?

Kindergarten Visits:

Starting school is a major life transition for both children and their families. Both challenging and exciting, it is a time of change in which children, families and educators adjust to new roles, identities, expectations, interactions and relationships. This year we will be participating in Reciprocal Visits with local kindergartens. It will mean that we will travel by bus to visit the Kindergartens and then on set days, the Kindergarten Children will travel to 754 to participate in a variety of activities. Last Friday our preps attended Westdale Kindergarten and from the looks of it they had a wonderful time. **Please see page 3 for some photos.**

Donated Books:

Thank you to the Carter family and the Lambert/Lamble family for donating books to our school. Our classroom libraries are looking awesome thanks to the kind donations from families and the wider community.
