Week 5 Term 2 - 2019

Hi all - this week I thought that I would take a different approach to the newsletter and absolutely make it all about the kids. So I have conducted a few student interviews: Check out the responses to the following questions.

1. What do you like most about being in your classroom?
2. What do you like most about break time?
3. What did your teacher do this week that made you laugh?
4. If you could change one thing about school what would you change?

Something to Ponder: Feedback is always important and we may not always like it - but it is absolutely about improving everything we do - all the time! Excellence, Excellence and Excellence!

CSEF (Camps Sports and Excursion Fund):

I would just like to remind families (especially those new to our school) who hold a current Health Care or Pension card, to fill out a CSEF form at the office. This entitles each child in your care to \$125.00 which the school can use towards any camps, sporting events or excursions/incursions. This is not related to the Drought Assistance package and needs to be applied for before June. Please see the office staff if you are unsure of your application status.

Nagle College:

Applications for Year 7 in 2020 are due by Friday 31 May. Ideally they would like all applications in by this date to ensure that they are able to include everyone in the next stages of the transition process. For further information please contact Ms Rhonda Lawrence, Registrar at Nagle College on 5152 6122

Head Lice:

Even though the colder weather is now here we are still having outbreaks of head lice throughout the school. Please remember to check your child/children's hair regularly as this is the best way to avoid further spread.

Nicholson Street Crossing:

Thank you to the staff members who volunteered their time to man the school crossing on Nicholson Street after Loraine was called away for a family emergency.

Smoking around the school:

We would again just like to remind parents/carers that smoking is not permitted within 4 meters of the school boundary.

754 Division Cross Country:

On Friday the seventeenth of May some certain people went to Cross Country. I felt scared. It was faster than last year. When I was racing I was counting the people in front of me. I thought I would make it through and I DID! I was proud of myself. I didn't train at all! I'm going to Lardner Park in Warragul. Now I have to practice running in sand! **by Kailee Helmers 34A**

I felt puffed and really tired. **by Alan Wise 34A** I felt like I could die! It was so hot and I could hardly breathe! **by Tyler Schlitz 34A**

Friday was Cross Country day and we came on a bus. When we arrived at Nagle College I ate some food and went to the toilet. My race was the last race we had until before we went back to school I was terrified. But losing the race wasn't bad after all! **by Laura Jeanes, 34A**

Friday was an excellent day. We were doing Division Cross Country. The 3/4 girls were nervous. I was too! The boys were as well. **by Eve Stannus, 34A**

Bottle Tops:

Jen Backman our art teacher is looking for donations of bottle tops. These can be any size or colour (soft drink, milk, juice etc.) as long as they are plastic tops. Please have you child drop them to the art room or the office.

Earn and Learn Stickers:

Our school is again participating in the Woolworths Earn and Learn promotion. For every \$10.00 you spend you will be given a sticker. You can either place the stickers in the 754 Primary School collection box and the front of the Woolworths store or alternatively you can bring the stickers to school and place them in the collection box at the office.

Book Donations:

Thank you to Women Against Waste for donating books to the school for our classroom libraries.

District Winter Sports:

On Thursday 30th May our grade 5/6 students will be heading to Paynesville primary school to participate in the district winter sports. Paynesville primary will run a canteen on the day for any students wishing to purchase food. A menu will be sent home with students along with their permission form.

Learning in 1/2A

Last week in the 12A classroom we learnt about the Zones of Regulation?

What are the four zones?

Blue, green, yellow and red.

What zone is best for learning in the 12A classroom?

Green because you are ready to learn, calm, focused and happy.

Student voice by Taylor Barry and Marnee Jackson

The Zones of Regulation

Blue Zone sad tired sick moving slowly	Green Zone happy calm feeling ok focused ready to learn	Yellow Zone frustrated worried silly/wiggly excited loss of some control	Red Zone mad/angry terrified yelling/hitting elated out of control

Every week you take part in assembly and I commend you for how you demonstrate the Three R's on a daily basis.

5/6 C: Darcy Bishop you are a fine example of the three R's in our school. You are respectful to other members of the school because you are cheerful and listen to others.
